Property details

The house is very close to the sea, on a quiet street in the Falea Nord neighborhood, and it is spread over 3 levels: GF +2. The land area is 220sqm, with 2 openings of 15ml, the footprint is 131mp. The ground floor is a commercial space (car wash). The 1st and 2nd floors are made up of a 3-room apartment (living room, closed kitchen, 2 bathrooms, 2 bedrooms) with a usable area of 90sqm. Having a very close position to the sea and the surface of the house, this property is a good real estate investment.
